Use **STERI-FAB®**...

- For protection against insects, fungus, mildew, mold, bacteria, germs and viruses.
- Effective against most gram negative and gram positive and odor causing bacteria, as well as insects, fungus, mold and mildew.
- To disinfect and deodorize.
- To kill pathogenic and odor-producing bacteria.

And...

- **STERI-FAB** contains no oil and can be used in most applications.
- **STERI-FAB** is approved in all states where a liquid disinfection method may be used.

(In states having such laws, it is stated that all used or second-hand bedding, including rentals, mattresses, wheelchairs, mobile homes, upholstered furniture and campers, must be disinfected before being offered for sale or rent.)

Effective and convenient to use...

- **STERI-FAB** will not stain.
- **STERI-FAB** has no added perfumes.
- **STERI-FAB** has no objectionable odor.
- **STERI-FAB** is fast drying (usually within minutes).
- **STERI-FAB** is crystal clear.
- **STERI-FAB** will not harm fabrics, carpets and most areas where it is applied.
- **STERI-FAB** is available in plastic pints (with individual sprayers), plastic gallons and plastic five gallon containers.

**STERI-FAB** may not be compatible with wax finishes.

---
